PLANS TO JOIN INTERNEES WITH FAMILIES NEAR COMPLETION

Proposed plans to join internees and members of their families in a new camp under the jurisdiction of the Immigration and Naturalization department, Washington, D.C., are rapidly being completed, according to Dr. J. B. Hunter, chief of Community Services.

Applications for the transfer may be made at PS

hall 42, Social Welfare department, with the deadline set at Jan. 15.

Dr. Hunter added that internees are now able to obtain new hearings if new evidence can be furnished by members of the internee's family.

Procedure for the retrial may be obtained through the Center legal office.

ALIEN PROPERTY CUSTODIAN ISSUES NEW REGULATIONS

According to new orders from the Alien Property Custodian, all persons who have acquired from a designated foreign national since January 1, 1939, any interest in any work subject to copyright under the laws of the United States shall file a report of that interest with the Alien Property Custodian not later than January 15, 1943.

Designated foreign national refers to any individual who is a resident of, and any business organization organized under the laws of or having its principal place of business within Germany, Italy, Japan or any of their occupied countries.

All necessary blanks and information may be obtained at the legal aid office, administration building 2.

CO-OP TO MANAGE COMMUNITY MOVIES

With the transfer of the newly-created movie project from community activities to Community Enterprises, another section was created in the co-op organization. Similar to the canteen, the management of the movies will be supervised by the co-op trustees.

Emphasizing that the entire motion picture project is a community affair, organized and managed strictly

for the benefit of the Center, Gary Nagai, newly-appointed Community Enterprises movie manager, today announced plans are being formulated whereby the public will have a very active voice in selecting future films.

Nagai also stated that the present movie setup is temporary; the future and more permanent policies to depend largely upon initial

CLOTHING SLIPS DISTRIBUTED

Austin Smith, assistant chief of Community Services, said that clothing allowance memorandum slips are now being distributed from the block offices to each individual eligible for the allowances. These slips are to be kept by the receiver and presented for payment.

The date and place of cash distribution will be released as soon as everything is ready.

WRA TO FORM JOB AGENCIES

Evidence of the increased attempts of the WRA to aid evacuees in finding outside jobs was given today by Dr. J. B. Hunter, who stated a plan was underway to establish employment offices in various mid-western cities.

These offices will keep in touch with employment agencies throughout the country and will notify all the relocation centers of any job openings.

An office has already been established in Chicago, Ill. Others are planned in Denver, Colo.; Cleveland, Ohio; and Omaha, Neb.

FILMS NOW SHOWING

Changes were made in the movie schedule, reported Gary Nagai, Community Enterprises movie manager.

The new billings are: "Broadway," starring George Raft and Janet Blair--PS hall 10; "Between Us Girls," with Robert Cummings and

Diana Barrymore, PS hall 33; "Alias, the Deacon" with Bob Burns and Mischa Auer, PS hall 5; and "Swing It, Soldier," a musical, PS hall 3.

There has also been a change in location--from PS hall 15 to PS hall 3.

ALL EMPLOYEES ELIGIBLE FOR WORKMEN'S COMPENSATION

Under the Federal Workmen's Compensation act, all workers are eligible to receive compensation in case of injuries sustained while working. Project attorney Jack S. Curtis announced today.

At the end of a three-day waiting period, the injured party will receive compensation amounting to two-thirds of his monthly wages. Medical expenses will be defrayed in the compensation.

As no procedure for application has yet been released, Curtis advised injured persons to apply through their division head.

BLOCK 2 AVERTS FIRE DISASTER

What may have been a major disaster was averted early Friday at 2:30 a.m. when over a hundred residents of Block 2 formed a bucket brigade to extinguish a rapidly spreading blaze which threatened to destroy the entire mess hall.

The fire was discovered by Mrs. K. Muramoto of 2-4-C.

700 WITNESS HIGH SCHOOL GROUND BREAKING CEREMONY

Approximately 700 persons braved a slight drizzle Wednesday afternoon to witness Project director Ray D. Johnston and Kenneth Cole, construction engineer, simultaneously break ground for the construction of the new Center high school.

trials. Depending upon the degree of success of the movies, larger and better facilities may be developed.

According to Nagai, a move is being made to replace the present 16mm. film projectors with 35mm. machines. Next month, educational shorts will be added to the regular film.

"Since this project was created solely for the community, we shall try to keep the present low admission prices," Nagai said.

NURSE TO LEAVE FOR OUTSIDE

Elsie Hirayama, of 32-4-B, who passed a graduate nurse's examination in California prior to evacuation, was notified recently of a position at the St. Mary's hospital, Rochester, Minn.

Formerly of San Jose, Miss Hirayama will leave for Rochester on Tuesday.

HOSPITAL CONDUCTS HEALTH INSPECTION TOUR OF CENTER

The hospital Sanitation corps and Health division are now conducting a general inspection tour around the Center to maintain satisfactory conditions for the well-being of the community, declared Dr. W. T. Carstarphen, chief medical officer.

Mess halls, latrines, showers, washrooms and in-

dividual units are included in the inspection tour.

Cooperation is being given to Project steward L. A. May, who is especially interested in the sanitary conditions in the mess halls.

FIRST-AID KITS ISSUED

Temporary first-aid kits made by the hospital staff have been delivered to each block to be used in emergencies, announced Dr. W. T. Carstarphen, chief medical officer.

Regular kits have been ordered and will be distributed as soon as they arrive.

Dr. Carstarphen commented that the general health of the community was good.

On the average, only 28 cases have been recorded daily at the hospital.

The most common cases are the various ailments of elderly persons, minor injuries and maternity cases.

WRA ADVISES PROFESSIONAL EVACUEES TO MAINTAIN STATUS

Evacuees with professional licenses can discuss with the legal office any laws concerning licensing, registration and the maintenance of their professional status, declared Jack S. Curtis, Project attorney.

According to the WRA, it is desirable for evacuees

to keep their professional standing wherever possible so that they may continue in their fields.

No definite assurance can be given to the evacuees that their former state will renew the licenses now held.

Curtis' office is in administration building 2.

DEADLINE SET FOR MACKINAW

All workers who have not received their mackinaws were asked by Austin Smith, assistant chief of Community Services, to present their clothing certificates at PS hall 42 before January 15.

The deadline was set because the counselling staff needs time to take stock of all clothing, and because a new procedure of issuance may be used.

OPTOMETRY CLINIC SWAMPED

Unless patients require immediate attention, appointments with the optometry clinic cannot be made for the month of January, announced Dr. Katsuto Takel, optometrist.

All appointments made now are for February.

"We are still swamped with back orders, and it is impossible to accept new work now," he said.

Dr. Takel expects orders to be caught up by the end of this month.

The Big One That Got Away

Fishing enthusiasts will have to wait until the summer season approaches, to spin tall tales on the size of the fish they almost had.

According to James F. Raines, assistant Project director, possibilities look bright for summer fishing trips in the numerous lakes and rivers abounding in this part of the country.

At present such trips cannot be authorized because of their distance from this Center.

Raines discouraged fishing in the vicinity, since the fish are small and not very tasty.

Presenting Jack Steele Curtis, Project Attorney

Blonde, unassuming Jack Steele Curtis, Project attorney, was born on March 25, 1912, in Hartville, Mo.

He graduated as a social science major from Drury college in Hartville; received his LLD at the University of Missouri law school.

He was engaged in private practice in Springfield, Ill., before entering the Project personnel.

He has a charming wife and a 7-month-old baby girl.

COAL TO FILL FUEL SHORTAGE

To fill any fuel shortage in boiler-rooms and mess halls, 1000 tons of coal are being shipped to this Center from Chicago, Ill., Tom B. Coleman, motor pool head, disclosed today.

He added that small shipments of approximately \$3000 worth of mechanics' tools to repair and service Center vehicles are arriving periodically.

J. B. Hunter, chief of Community Services, made known.

A representative of the FBIS, Mrs. Mary J. Mueller, will arrive at this Project next week to interview the applicants.

Qualifications are American citizenship and a good knowledge of Japanese and English languages to make rapid translations of Japanese radio broadcasts.

Interested persons may see E. B. Moulton, Employment and Housing head, or Dr. Hunter.

SAWMILLS, AGRICULTURE NAMED AS CHIEF SPRING PROJECTS

Sawmills will not begin operation until spring because of the current pressing problem of providing fuel wood for the Center, James F. Raines, assistant Project director, stated today.

Throughout the spring months sawmills and agriculture work will be the

DELAY IN LEAVE PERMITS

Due to the large number of leave clearances the Washington office is now handling, present leaves may require some time for release, E. B. Moulton, Employment and Housing head, made known today.

In order that residents may leave the Center as soon as they secure outside work, Moulton advised that they file applications now.

However, some assurance of employment must be had before applications can be made, he indicated.

EXHIBIT POSTPONED

The handicraft exhibit scheduled to open Thursday, has been postponed in order to make further preparations, announced Adelene Lee of arts and crafts.

The exhibit will open during the latter part of next week.

Anyone wishing to display handicraft may contact Miss Lee at administration building 2.

chief projects.

Possibilities of camouflage net-weaving at this Project were squelched by Raines, who said that the other centers now working on nets are fulfilling government orders.

The proposed tent-making project is in the discussion stage, he said.

GROUP ORGANIZED TO FORWARD YWCA

Following the leadership training course conducted last week by Esther Priesemeister, national field secretary, the tentative Rohwer YWCA personnel was released by the community activities section today.

Grace Sumida and Moshiko Kusodo of the clubs and organizations staff have been assigned to help advance the YWCA program. Members of the board are Mesdames Matsuye Mori, Sue Ando, Haru Hayashi, Lily Kobayashi, Mae Honda, June Yasuie, Alice Nakano, Setsu Sudow and Misses Yone Okamura and Grayce Kaneda.

Three prominent visitors from Little Rock among the group attending Miss Briesemeister's course were Mrs. Robert P. Hall, state YWCA president; Ora Sheldon, Little Rock YWCA secretary; and Mayneil McCoy, Little Rock girls reserve secretary.

Monticello Pastor to Deliver Sermon

The Rev. Walker E. Healy, pastor of the First Presbyterian church of Monticello, will speak at the English service, Sunday, 10 a.m.

Hal Noguichi will sing the "Lord's Prayer," accompanied by Shizuko Koda.

YBA to Hold Meeting

The Rev. Seikaku Mizutani will speak at the YBA service, Sunday, 10 a.m.

After the service, a general meeting of the YBA will be held with Barry Saiki presiding.

The Rev. Mizutani will also speak at the Japanese service at 2 p.m. The Buddhist board will meet after the service.

GIRL SCOUTS IN SCRAP DRIVE

Keeping pace with the prevailing national spirit to collect all scrap materials, Center Girl scouts are now conducting a block-to-block canvass of old rayon, silk and nylon hose, reported Mrs. Amy Yayoshi, adviser.

These will be turned over to the government to be used as parachute material, she said.

"NATIVITY" SCHEDULED FOR TWO-DAY SHOWING; 50 IN CAST

Although the yuletide atmosphere has passed on, the Christmas pageant, "Nativity," will be presented tonight and Sunday, 7:15 p.m., at PS hall 12.

Originally scheduled for Dec. 24, the pageant was postponed because of bad weather.

Under the direction of Mrs. Merrill Ziegler, "Nativity," featuring a cast of 50 actors and singers, depicts the birth of Christ through dramatized biblical selections.

Catholic Priest to Visit Rohwer

Father Hugh Lavery of the Los Angeles Maryknoll church will aid in the organization of the Catholic church in the near future.

Father Lavery, who is now in Bridgeport, Conn., will stop at Rohwer for a short visit, before returning to Los Angeles.

A priest from the Maryknoll church in Los Angeles will head the Center church.

HAWTHORNE Y'S MEET DISTRICT V

SPUD CITY JRS. TACKLE JBT JUNIORS TODAY

Undaunted by their last setback, Coach Seiji Isomoto's tricky JBT Juniors will be out to reverse the decision against the power-laden Spud City Juniors on the high school field at 2:00 p.m.

With their practice concentrated mainly on simonizing their baffling "T" formation to perfection, the Southern Californians will take the field in tiptop condition and are expected to give the Stockton Babes a tough time today. Their offensive spark will be led by stocky Yone Iguchi.

Favored again, the Spud City forces of Coaches Fred Masai, Bruno Kitagawa and Ed Fujitani are determined to make it two straight in this post-season football frolic.

"Jarrin" Junji Sasaki and handsome Shig Hayashi will carry the brunt of the ball-packing duties.

The Northerners' strong forward wall, paced by guard Winpy Tanabe and center Jimmie Tsutsumi, is expected to play a dominant role in the lightweight tilt.

Y'S WILL TEST DISTRICT V'S POWER- LADEN OFFENSE TOMORROW

by thomas nakamura

Unlimited pigskin frolics scheduled for Sunday at 2 p.m. will introduce a new grid outfit in the Hawthorne Y's from Southern California, who will tangle with the undefeated District V at the high school field.

Unpredictable weather conditions may necessitate the postponement of the tilt.

District V, which last week outscored District IV, 14-6, by capitalizing on chances, will field the identical squad which underwent the gruelling session in its previous engagement. With almost enough players on the

roster to form two teams, they will utilize their reserves in frequent replacements.

Hawthorne Y's, an aggregation of undetermined qualities, will undoubtedly appear on the gridiron with a lineup which will offer great opposition against their adversary in tomorrow's tilt.

GIRLS' VOLLEYBALL ON TAP TODAY

After a holiday lapse, girls' volleyball competition will get underway again this afternoon with five topnotch games slated at the high school field.

Schedules released by Yone Dobashi, girl's athletic head, are as follows:

2:00	Blk. 23 vs Blk. 9
2:45	Blk. 20 vs Blk. 28
3:30	Blk. 13 vs Blk. 6
4:00	Blk. 29 vs Blk. 2

Gym Construction Starts at Tule Lake Center

TULE LAKE -- Concrete operations have started on the new Gym-Auditorium to be erected in the fire-break area between the warehouses and 6th avenue, facing Blocks 4, 5 and 6.

The size of the building is 157 by 160 feet, and is 92 feet in height--over three stories. The main auditorium will feature a 96-by 80-foot, smooth-finished basketball court. It is a regulation, approved type, high school court--capable of maintaining two practice games at one time. Four fixed and two swinging backstops are indicated on the plans.

In game periods, benches will adequately seat 650; but in other functions, where the floor area will be utilized, the hall will comfortably accommodate 1500.

Harry Katsuyama, construction engineer, will supervise this project. He is well known in Northern California circles as the designer and supervisor in the construction of the spectacular Sacramento Buddhist gymnasium and many other well known structures in the valley area.

A Letter to the Editor

Dear Sports Editor:

After reading the letter to the Sports Editor in your issue of January 6th, the Athletic Department was glad to receive constructive criticism. For the benefit of the author of the letter, may we inform him that the Boy Scouts were asked to keep the sidelines clear at a couple of games. The Scouts were kind enough to give us their full cooperation and did their utmost to keep the field clear of the spectators. However, cooperation with the Scouts was sadly lacking on the part of the spectators and sports fans, and the crowd insisted upon overrunning the gridiron.

All other departments, as is ours, are not adequately staffed, at the present, to take care of the situation.

Since the "Sports Fan" is so vitally interested in the situation, we would be glad to have him sign his name instead of remaining anonymous so that we could contact him. We know that his interest would be incentive enough to make the game witnessable to all spectators by taking complete charge of the spectator angle.

Signed--Athletic Department

Sports editor's note: The letter by the "Sports Fan" published in the last issue expresses the opinion of a person who desired to offer a helpful suggestion and does not mean that the OUTPOST Sports Staff is in its favor. We are glad to note that the athletic dept. has tried its utmost to clear up those conditions.

EDITORIAL

MORALE VS. MORALS

Reaction to the New Year's Variety show has become evident during the last few days, and regretfully there are indications that these undercurrents are not voiced by just a few malicious scandal-mongers.

The comments heard are all from those who have attended the affair and who feel that some of the plays were not of the presentable variety. "Clean up the acts," and "It's a shame that a few unnecessary inferences are allowed to be presented and thus wreck the whole show," are some of the comments.

If these criticisms were directed by those perpetually complaining about everything in general, then there is a distinct basis for disregarding them, but when a large portion of the respectable people venture to express such views, at least a statement to that effect must be presented.

It is the belief that war brings morals to the lowest ebb and if true, as the present trend seems to indicate, it is imperative that entertainment approaching the 'burlesque' level be eliminated entirely from future talent shows.

This is not a reflection on those who have been kind enough to spend their time and efforts in making these programs possible, nor is it a slur on the talented individuals who have participated, but it is meant to be a word of caution as to the type of show desired since these community projects reflect the attitude of the whole Center.
